Welcome to the Family

Kingsway Community is a family-owned, senior living community located in Upstate New York's Capital District Region that began as a means to provide quality care and a meaningful life for our founder's parents.

Kingsway specializes in emphasizing an individual's highest level of functioning within a safe, comfortable living environment, and continues that tradition each and every day. Whether living independently, in assisted living or requiring skilled nursing or short-term rehabilitation, each resident can expect a variety of benefits and services from a dedicated staff of warm, caring professionals.

Since 1975, the self-contained 25-acre campus also offers home care, memory care, adult day care, respite and hospice services. Kingsway upholds a tradition of excellence in providing compassion, dignity and respect for each individual entrusted to our care.

"Each day I am amazed at the kindness, dignity and respect shown by our staff to all of our residents. I am proud to lead such a great team."

-Michael McPartlon
President/CEO
