Skilled Nursing & Rehabilitation

Over 50 Years of Trusted Care

As the Capital Region's Premier Skilled Nursing and Rehabilitation Center, Kingsway Arms has a national award-winning reputation for excellence.

Our team of dedicated medical and healthcare staff, including Physicians, Nurse Practitioners, RNs and LPNs, lead care management 24 hours a day. Licensed Dietitian and Dietetic Technicians help ensure each resident receives optimal nutrition. Resident and Family Service Specialists provide support and assistance for residents and family members throughout the stay.

Our state-of-the-art rehabilitation therapies are designed to optimize well-being and greater independence, and include physical, occupational and speech therapies. Flexible schedules and treatments are offered up to six days a week. Short-term rehabilitation provides an intermediate step from hospital to home.

We recognize that the most important element of any therapeutic program is treating each individual with dignity and respect.

- On-site services include podiatric, dental, optometry, optical, diagnostic imaging, laboratory, psychological, psychiatric, and hospice services.
- Dining features chef-inspired menus for specialized diets and restaurant-style choices.
- Daily Life Enrichment programs offer therapeutic value and engage a variety of interests.
- Private and semi-private furnished room choice, with individual temperature-control, daily laundry service, cable, and wi-fi.
- Transportation for scheduled medical appointments.
- Kingsway Arms is licensed by New York State Department of Health and approved for Medicare and Medicaid.
- Programs improve mobility, balance, and range of motion needed for activities of daily living, as well as aspects of communication, memory, and swallowing disorders.
- Our health and medical professionals consider the goals, preferences, and concerns of each resident to ensure a person-centered treatment plan.
