KINGSWAY
HOME CARE
SERVICE

"Caring In The Family Tradition"

SOME OF THE MANY WAYS KINGSWAY HOME CARE CAN HELP

- **Nursing services** - medication pre-pours, blood pressure checks, dressing changes, nursing case management, and PRI assessments & screenings for nursing home placement
- **Nursing case management** - we can collaborate care between your medical providers, to help ensure you receive the best and most appropriate care possible
- **Aide services** - personal care assistance such as bathing, dressing and grooming
- **Companion care** - assistance with laundry, housekeeping, meal preparation and escort to appointments

is a service of
KingswayCommunity

WE ARE THERE WHEN YOU NEED US

Services are available on an hourly, daily or weekly basis, or around-the-clock, if needed.

Kingsway Home Care can provide supplementary care, on a short or long-term basis, to provide primary caregivers with respite.

Under the supervision of a Registered Nurse, our staff adhere to your personalized care plan, authorized by your physician.

Kingsway Home Care staff are credentialed and certified according to NYS Department of Health regulations. Each caregiver is fully screened with background check, testing, and experience-verified.

LET KINGSWAY HOME CARE COME TO YOU

The quality, care and expertise for which Kingsway Community is known can come to you

- in your own home
- at the hospital
- in a skilled nursing home
- in an assisted living setting
- within senior housing

No matter where you live in the Capital Region, *Kingsway Home Care* can provide the care and support you need to live in your home safely.

Kingsway Home Care can assist with meals, shopping, laundry, chores, companionship and more.
